

Circles

Circular patterns add a sophisticated and aesthetically pleasing look to any landscaped development. Our circular packs come in a smooth and contemporary Lismore finish or our 'aged' Mellifont finish, ensuring that they fit with any paving product from the Kilsaran Lifestyle range. Circles packs have a maximum diameter of 2.1 metres but larger circles can be created using paving blocks and Setts from the Lismore or Mellifont paving block ranges.

Easy-to-understand laying instructions can be downloaded from our website.

Mellifont Circle (Rustic) extended with Newgrange Cobbles (Silver Granite) with Inish (Raven) as the centrepiece

Protect Your Investment

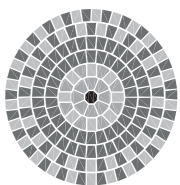

Our specially formulated range of environmentally-friendly sealers and treatments will prevent moss and lichen growth and guard against stains. See page 71.
