

# Corrib

Corrib, with its subtle bevelled edge, is a recent addition to our range so is ideal for those seeking something new and with a definite contemporary feel.

The straight lines of Corrib can be combined creatively with the more rustic products from our range such as Mellifont, Tara or Newgrange blocks to create stunning driveways, patios and public spaces.

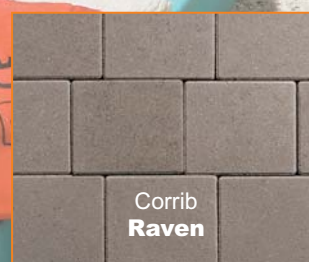

Rustic

Silver Granite

Corrib Natural

Corrib Raven

Corrib Caramel

Corrib Curragh Gold

Corrib Rustic

Corrib Silver Granite

### Protect Your Investment

Our specially formulated range of environmentally-friendly sealers and treatments will prevent moss and lichen growth and guard against stains. See page 71.
