

# Tara™

Our Tara paving blocks have a consistent coarse textured surface created by the processes of bush-hammering. Tara paving blocks come in a large variety of sizes and are ideal for creating eye-catching driveways, patios and meandering paths.

Tara Cobbles are used to create distinctive borders and patterns, further enhancing the visual impact of the landscape.

Curragh Gold

### Protect Your Investment

Our specially formulated range of environmentally-friendly sealers and treatments will prevent moss and lichen growth and guard against stains. See page 71.
