

# Cashel

A new addition to our growing range in 2010, Cashel paving flags have a riven surface mimicking the rustic appeal of natural stone.

Available in a 40mm depth, Cashel is ideal for use in any domestic landscaping project or architecturally designed space where light trafficking is expected.

Tan

Please note this product has been photographed wet.

### Patio Bedding Mix

Our Bedding Mix is suitable for use as a bedding mortar for flags, slabs and other masonry and natural landscaping products. It is available in 25kg bags or as part of our Silomix solution.

### Technical Info

Product & Depth	Size (mm)	Pieces Per M <sup>2</sup>
Cashel 40mm	400mm x 400mm	6.25
